1. Describe your major S/R/C goal(s) for the past six months:

Our primary goal for the past six months was to maintain the connections made and momentum generated as a result of last year's state conference. The Utah CRLA organization had gone through a brief slump, due in part to the retirement of several long-standing CLRA advocates, as well as state-wide budget cuts. The Learning Assistance staff from Salt Lake Community College hosted a conference last spring in an attempt to revitalize the state. It was a very successful conference and we are committed to having another this year and continuing the collaborations that were started there.

2. Activities implemented to accomplish this/these goals (attach documents if appropriate):

- CRLA leadership meeting held at Weber State in September. This meeting served as a debriefing of last year's conference as well as an opportunity to start planning the 2016 conference.
- State meeting held at the CRLA conference in Portland to discuss membership benefits and how we can encourage colleagues in the profession to become members.
- Conference website has been created <http://www.weber.edu/crla> and "save-the-date" notice has been sent out.

3. Summary of any S/R/C Funding requests including outcomes:

No funds requested during this period

4. S/R/C-related activities at the Annual Conference:

Formal meeting held (as described above) in connection with New Mexico, Wyoming & Colorado. Colleagues from WY/CO were invited to attend the 2016 Utah conference. Informal conversations, lunches, etc. served to reinforce relationships and encourage continued dialogue regarding CRLA related issues.

5. Your last S/R/C newsletter or communication was sent to members on 3/23/2015

Your next S/R/C newsletter or communication to be sent to members on _____

6. Describe your major goal(s) for the next six months:

Our major goal is to continue to promote professional development through our May 19th state conference. We are also hoping to increase CRLA membership and to encourage members to participate in leadership positions.

7. What services and activities you are considering to help meet the goal(s):

- Encourage attendance at state conference.
- Encourage colleagues to consider presenting at state conference.
- Provide lap top at conference so delegates who are not currently CRLA members can join on-site.
- Offer a lunch time discussion about leadership opportunities.
